PROFESSIONAL SUMMARY

Aspiring Software Engineer skilled in Python, Flask, FastAPI, Firebase, and MySQL, with experience building scalable full-stack web applications and REST APIs, and passionate about AI integration, automation, cloud technologies, and developing user-centric solutions.

EDUCATION

Srinivas Institute of Technology ,Mangaluru B.Tech : 9.38 cgpa	2022-2026
Anand Ashram Composite PU College ,Bhatkal pre-university : 82.66 %	2020-2022
Anand Ashram Highschool, Bhatkal sslc : 95 %	2020

TECHNICAL SKILLS

- Programming Languages: Python, C, Java
- Web Technologies: HTML, CSS, Tailwind CSS, JavaScript
- Frameworks & Tools: Flask, FastAPI, Firebase, Git, GitHub, Docker, Jenkins, Selenium
- Databases: MySQL, MongoDB, SQLite
- Other: Machine Learning, Agentic AI , n8n Automation, AWS, Vercel, Render

INTERNSHIP

Analogica Software Development Solutions pvt ltd

- Developed full-stack applications using Python, focusing on scalability and performance
- Designed and implemented REST APIs for seamless system functionality
- Automated workflows using n8n, enhancing operational efficiency
- Strengthened backend integration and system design skills through practical implementation

PROJECTS

All-in-One LMS, Workshop & Intern Management Dashboard

- Developed a full-stack web application using Flask and MySQL for managing students, courses, and internships
- Implemented role-based access control to enhance system security
- Designed real-time performance tracking dashboard
- Automated certificate generation, reducing manual effort

Feel Sync : Intelligence Emotional Insights

- Built an AI-based mental wellness platform using Python, Flask, HTML, CSS, JavaScript, and MySql
- Integrated NLP-based sentiment analysis and real-time mood tracking
- Developed a chatbot for personalized emotional insights and user engagement

Hotel Booking App Using Flutter

- Developed a cross-platform app using Flutter and Firebase with real-time booking functionality
- Implemented search, filtering, and secure authentication/payment integration
- Enabled real-time data synchronization with a responsive UI

CERTIFICATIONS & ACHIEVEMENTS

- Data analytics using Excel - Intel Ethnotech Academy
- Fundamentals of Devops - Intel Ethnotech Academy
- Programming in C - Intel Ethnotech Academy
- Machine Learning - Intel Ethnotech Academy
- Awarded University Topper for Academic Excellence in the 7th Semester
- Organized and managed the event as a part of the college fest

LANGUAGES

- English
- Kannada
- Hindi

HOBBIES

- Mehendi art
- Drawing
- Listening to music
